

Save the Date for NACM's 127th Credit Congress and Expo. Registration Now Open!

Kendall Payton, editorial associate

The countdown for NACM's 127th Credit Congress and Expo has begun! Join us from June 11-14 at the Gaylord Texan in Grapevine, Texas for the largest convention of business credit and financial management professionals in the nation. All attendees will have the opportunity to network, speak to exhibitors one-on-one and learn expert instructors.

Credit professionals can personalize their education experience at Credit Congress to fit their needs and interests. New additions in 2023 include the Strategic Leadership education track and the Exhibitor Solutions Hub.

The leadership track is designed to help credit executives transition from operational to strategic positions, with sessions aimed at professional development. Learn how to work with the C-Suite of players from Chris DeVany, founder and president of Pinnacle Performance Improvement Worldwide. Make your way to the Exhibitor Solutions Hub in the Expo Hall to participate in corporate introductions, product demonstrations and Q&A sessions from a wide-range of exhibitors.

Never attended Credit Congress before? Take advantage of our buy-one bring-one special for first-time attendees! You can [register](#) by Feb. 24 for best savings, and find out more details about Credit Congress on the [NACM Website](#).
