Welcome!

We're so glad you've made the decision to join a CFDD Chapter and we welcome you to our CFDD national network! CFDD, a division of the National Association of Credit Management, has Chapters located coast-to-coast.

CFDD's mission is to provide the educational resources needed for tomorrow's credit leaders through a support system designed for credit and finance professionals. Your engagement enables you to meet some of the most valuable resources in the industry: other credit people like you.

As a first step, get involved in your local Chapter by attending meetings and networking events. Volunteer, because working side-by-side with colleagues is a great way to grow your professional network. You are now part of CFDD's powerful network of professionals who are ready to help you in any way. CFDD also has an extraordinary scholarship program for its members.

As a CFDD member, you'll begin to receive your personal copy of NACM's *Business Credit* magazine and *eNews* as a benefit of your membership. Don't forget to listen to NACM's podcast, *Extra Credit*, each Friday. To expand your access to publications, download the free *Business Credit* App, available in the iTunes or Google Play stores.

You'll enjoy reading not only *Business Credit* and *eNews*, but also NACM's blogs, and FCIB's *Week in Review*. Visit NACM's Knowledge Center, which is your gateway to free quarterly webinars, keyword searches through NACM books, and more. Your membership provides you with many different opportunities to learn, grow and excel in the field of business credit.

We know you will enjoy the personal contacts you make with other CFDD colleagues who are eager to share their time and expertise with you. CFDD is on the social networking site, LinkedIn. Join us and start expanding your professional network today!

Visit our website at www.cfdd.org, volunteer to serve on a committee, attend meetings and networking events, apply for scholarships, and share the vision.

Thank you!

Heidi
